Info 1945.VS 40288. [REDACTED] 2 June 1950. Source- general report said to be confirmed by two students from Hanhung who were arrested. Source rpt info Sept 1946

A Russian Capt is reported to be the head of an espionage school located at Ham Heung, North Korea, according to a member of the school apprehended in August 1946.

The school is reported to have graduated 500 students, 300 of which have been sent to South Korea to gather info re the US troops, the political situation and on terroristic missions.

To qualify for admission to this school, the applicant must be a middle school graduate, between 19 and 28 and can be of either sex. A graduate becomes a collaborator with the Soviet Intelligence organization and a propaganda agent
